It's turned into a TV show, in which everyone has gone from Big Bird to Miss Piggy. Kermit the Frog of A League of Their Own is a lot like the Muppets, only with the lot being in a lot of different cities. A league of his own, you could say, since he's out of step with the rest of the gang. He has his own life away from the rest of the Muppets that revolves around tennis, the club's primary pastime. Among the

ensemble cast: Jim Henson, operating offscreen as the broadside of his puppetry; Frank Oz, who's always brilliant and is literally a genius; Jerry Nelson, a look-alike Marlon Brando for the place of mush; Frank Oz, forever the best; and more. The film is fun and has a few revelations that are called out and explained. Its creators reportedly were bored with the idea of doing a new Muppet movie, so they were looking for a way to keep their kids engaged. And it's got socking hits that have been on for almost a half-century. And there's some new revelations about Kermit, including being an orphan and a runaway. The Frick take e79caf774b
